To make your own template:

Take an A4 piece of paper

Fold over about 2cm at the top
(on the shorter side)

Cut along the line (through both sides of the paper)

Unfold the paper

Decorate the main triangle.
Leave the top strip blank.

You can decorate your flag with anything you like.
If you get stuck, some ideas for drawings are:

A WW2 soldier

A relative who was / is in the armed forces

A land girl

Union Flag

A Thank You message

Make your Bunting

When all of your triangles are decorated, fold the flap at the top over some string or ribbon and glue or tape in place

Leave a gap between each flag and keep adding until you're done. Leave some spare string or ribbon at each end for hanging

Hang your bunting in your window for people to enjoy!
